RE: FOIA Request

Dear Mr. Kortlander:

Earlier you had made a Freedom of Information Act (FOIA) request of the U.S. Department of the Interior, Fish and Wildlife Service. When processing your request that agency came upon some documents from the Federal Labor Relations Authority (FLRA), and referred them to the FLRA for a release determination.

The FLRA documents can be released you under FOIA; they are enclosed. They consist of:

- Petition in Case No BN-RP-09-0020;
- Amended petition in Case No BN-RP-09-0020;
- May 11, 2009 letter to the Chief Law Enforcement Officer of the Department of Interior, U.S. Fish and Wildlife Service from the San Francisco Region of the FLRA.

Sincerely,

Jean M. Perata  
Regional Director
